Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in

which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

DOMINION ORDERS IN COUNCIL.

P.C. No. 459.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 26th day of March, 1924.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

HIS EXCELLENCY the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order and doth hereby order that the regulations governing the granting of yearly licences and permits to cut timber on Dominion Lands in Manitoba, Saskatchewan, Alberta, within twenty miles of either side of the Canadian Pacific Railway in the Province of British Columbia, and the tract of three and one-half million acres controlled by the Government of the Dominion in the Peace River District in the Province of British Columbia, established by Order in Council of the 12th April, 1921, and subsequent Orders in Council, be rescinded, and that the accompanying regulations be substituted therefor, effective on and after the 1st day of May, 1924.

(Signed) E. J. LEMAIRE,
Clerk of the Privy Council.

To the Honourable
The Minister of the Interior.

DISPOSAL OF LICENCES.

1. Licences to cut timber on Dominion lands in the Provinces of Manitoba, Saskatchewan, and Alberta, within twenty miles on either side of the main line of the Canadian Pacific Railway in the Province of British Columbia, and in the tract of three and one-half million acres controlled by the Government of the Dominion in the Peace River District in the Province of British Columbia, lying east of the Rocky Mountains and adjoining the Province of Alberta, shall be disposed of by public auction at the office of the Dominion Timber Agent for the district in which the berths are situated.

2. Before an application for a timber berth under licence conditions will be considered, the applicant shall deposit therewith the sum of one hundred dollars in cash or a marked cheque on a chartered bank for the amount, payable to the Deputy Minister of the Interior, if the tract applied for contains an area of five square miles or under; two hundred and fifty dollars if the area is more than five square miles and does not exceed ten square miles; and five hundred dollars if the area is over ten square miles and up to the maximum area of twenty-five square miles. This deposit is required to establish the *bona fides* of the applicant and shall be forfeited to the Crown should the berth not be sold at or over the upset price placed upon it. Should the berth be sold to the applicant the deposit shall be credited on account of the purchase price, and in the event of the berth being sold to some other person the amount of the deposit shall be refunded to the applicant.

Before any parcel of timber is offered for sale it shall be surveyed by a duly qualified Dominion land surveyor into berths of an area not exceeding twenty-five square miles, and each of such berths shall then be thoroughly cruised by a duly qualified timber-cruiser in the employ of the Dominion Government, who shall make as exact an estimate as possible of the quantity of timber on the berth, ascertain its general condition, its accessibility, and any other matters that may be necessary to determine the value of the timber and to enable the Minister of the Interior to fix an upset price, and shall furnish a report thereon under oath to the Minister. The Minister shall then fix an upset price at which the berths shall be disposed of which shall include the cost of survey, and no berth shall be sold at less than the price so fixed.

When, however, in the opinion of the Minister, there are natural boundaries confining the timber on the tract applied for, a survey of the boundaries thereof will not be necessary.

3. No licence shall be disposed of until notice of the sale has been given for a period of not less than thirty days in a newspaper published in the district in which the berth is located and also in a newspaper having a general circulation in the Province.

4. There shall be kept in the Department of the Interior at Ottawa a list of persons to whom notices of all sales of timber shall be sent. Any person making application in writing shall be entitled to have his name placed on the said list, and no names shall be removed therefrom until after the expiration of sixty days from the date of a notice to be given in writing to the person so named and sent by mail to his last-known address.

5. The notice of sale shall give the distinguishing number, the description and area of the berth, the upset price, the place, day, and hour at which such sale is to be held.

LICENCES.

8. No licence for any timber berth shall be issued until the full amount of the purchase price and the ground-rent for the first year have been paid.

Should, however, the purchaser of a berth desire to commence operations before the notes given have been paid, the Minister may authorize him to do so on being furnished with a bond in his favour by an acceptable guarantee company for the prompt payment of every unpaid instalment of the purchase price of the berth, together with interest accrued thereon.

9. All timber licences shall expire on the thirtieth day of April next after the date on which they are granted.

10. The licence shall vest in the licensee, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber, and other products of timber which he is entitled by the licence to cut, and which have been cut within the berth during the continuance thereof, whether such trees, timber, lumber, or other prod-

ucts be cut by authority of the licensee or by any other person with or without his consent; and shall vest in the licensee, as against any person other than the Crown in the right of the Dominion, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber, and other products of timber cut within the berth during the continuance thereof by any other person without his consent; and shall entitle the licensee to seize in replevin, revendication, or otherwise, as his property, timber of any kind cut upon the berth where the same is found in possession of any unauthorized person, and also to bring any action or suit at law or in equity against any person unlawfully in possession of any such timber, or of any lands within the berth, and to prosecute any person to conviction and punishment for any offence in connection with such timber or land, and all proceedings pending at the expiration of the licence may be continued and completed as if the same had not expired.

11. A licence shall be renewable from year to year while there is on the berth timber of the kind and dimensions described in the licence in sufficient quantity to be commercially valuable, if the terms and conditions of the licence and the provisions of the Dominion Lands Act and of the regulations affecting the same have been fulfilled:

Provided that such renewal shall be subject to the payment of such rental and dues and to such terms and conditions as are fixed by the regulations in force at the time renewal is made.

12. When, in the opinion of the Minister, any portion of a timber berth has not a sufficient quantity of the kind and dimensions of timber specified in the licence for such berth to make it profitable to remove the timber upon such portion of the berth, and when, in the opinion of the Minister, such portion of the berth is not necessary for the proper working of the remainder of the berth, the Minister may withdraw such portion from the berth:

Provided that no withdrawal shall be made unless the licensee or his legal representative has had sixty days' notice thereof, and that upon such withdrawal the ground-rent shall be reduced in proportion to the area withdrawn.

13. If the Minister of the Interior ascertains, after an inspection has been made, that any land within a timber berth is fit for settlement and is required for that purpose, he may require the licensee to carry on the cutting of timber on the said land provided for by clause 32 of these regulations, and, on the expiration of the time within which the timber which the licensee is entitled to cut should be removed therefrom, may withdraw such land from the berth and from the operation of the licence covering it.

14. If at any time during the continuance in force of a licence any portion or tract of the lands thereby licensed as a timber berth is required for water-power purposes or as necessary in connection therewith, the Minister of the Interior, as the representative of the Crown therein, upon being satisfied that such portion or tract of the said lands is necessary for the purposes of the said water-power, may decide that such portion or tract should be withdrawn from the lands so licensed, and thereupon the said portion or tract shall be forthwith withdrawn from the said lands and from the operation of the said licence; upon the condition, however, that the lessee or lessees of the said water-power, his or their executors, administrators, or assigns, shall and will pay to the licensee of the berth, his executors, administrators, or assigns, the value of all timber of ten inches and over in diameter at the stump on the portion or tract so withdrawn, the value of such timber, in case of dispute, to be fixed by the Minister of the Interior.

15. If, in consequence of any incorrectness in survey, or other error or cause whatever, a timber berth is found to comprise lands included in another berth awarded at a prior date, or any lands sold, granted, leased, or lawfully set apart for any other purpose under these regulations or the Dominion Lands Act, the latter berth shall be void in so far as it interferes with any previous sale, grant, or setting apart.

When the boundary line or lines of a licensed berth or any portion of such lines have not been fully surveyed or have become obliterated from any cause, the Minister may require the licensee, at his own expense, to survey any portion of such lines as has not been heretofore surveyed, or to re-establish upon the ground any lines that have become so obliterated.

16. Any right to a timber berth cannot be assigned or transferred without the consent of the Minister of the Interior. The fee for the registration of an assignment of a timber berth or of any interest therein shall be at the rate of one dollar for each square mile covered by the assigned portion of the berth, but in no case shall such fee be less than three dollars.

Form of Timber Licence.

17. The following is the form of licence to be issued for timber berths; but the Minister of the Interior is hereby authorized to insert such further clauses as he considers the conditions in connection with each berth may warrant:—

Know all men by these presents that, by virtue of the authority vested in me by the Dominion Lands Act, and by an order of His Excellency the Governor-General in Council of the day of , I, , the Minister of the Interior of Canada, do hereby in consideration of the sum of , ground-rent, now paid to me for the use of His Majesty King George the Fifth, and in consideration of the dues hereinafter mentioned, give unto (hereinafter called the "licensee"), his executors and administrators, full right, power, and licence, subject to the conditions hereinafter mentioned and contained, and such other conditions and restrictions as are in that behalf contained in the Dominion Lands Act and the amendments thereto, and in the regulations respecting timber passed by the Governor-General in Council, to cut timber on the following tract of land (hereinafter called the "berth" or "berths"), that is to say: ; and to take and keep exclusive possession of the said lands, except as hereinafter mentioned, for and during the period of one year from the first day of May, , to the thirtieth day of April, , and no longer.

This licence shall vest in the licensee, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber, and other products of timber which he is entitled by the licence to cut, and which have been cut within the berth during the continuance thereof, whether such trees, timber, lumber, or other products be cut by authority of the licensee or by any other person with or without his consent; and shall vest in the licensee, as against any person other than the Crown in the right of the Dominion, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber, and other products of timber cut within the berth during the continuance thereof by any other person without his consent; and shall entitle the licensee to seize in replevin, revendication, or otherwise, as his property, all timber of any kind cut upon the berth where the same is found in the possession of any unauthorized person, and also to bring any action or suit at law or in equity against any person unlawfully in possession of any such timber or of any lands within the berth, and to prosecute any person to conviction and punishment for any offence in connection with such timber or land, and all proceedings pending at the expiration of the licence may be continued and completed as if the same had not expired.

This licence is subject to the following conditions and restrictions in addition to such of the conditions and restrictions respecting timber as are contained in the Dominion Lands Act and the amendments thereto, and in the regulations respecting timber passed by Order of His Excellency the Governor-General in Council:—

(*a.*) That the licensee shall not have the right thereunder to cut timber of a less diameter than ten inches measured eighteen inches from the ground, except such as may be actually necessary for the construction of roads and other works to facilitate the taking-out of merchantable timber, and shall not have the right to cut any trees that may be designated by the proper officer of the

Department of the Interior as required to provide a supply of seed for the reproduction of the forest.

(*aa.*) All merchantable timber of a class authorized to be cut under licence shall be cut and taken from a berth as cutting progresses, and any timber of that class left uncut and unremoved after a date named in a notice served on the licensee or his authorized agent shall be estimated in feet board measure by a Dominion Timber Inspector, and shall be subject to payment to the Department, on demand, of ordinary royalty dues.

In the event of timber on a licensed berth of the class authorized to be cut becoming fire-killed or dead, and a report being made by a Timber Inspector that the same can be cut and marketed by the licensee without monetary loss, the Minister may require the licensee to cut and remove the same, and all such timber left uncut and unremoved from the berth after a date named in a notice served upon the licensee or his authorized agent shall be estimated in feet board measure by a Timber Inspector, and the licensee shall pay dues thereon as provided in the regulations according to such estimate.

(*b.*) The licensee shall be entitled to a renewal of his licence from year to year while there is on the berth timber of the kind and dimensions described in the licence in sufficient quantity to be commercially valuable, if the terms and conditions of the licence and the provisions of the Dominion Lands Act and of the regulations affecting the same have been fulfilled:

Provided that such renewal shall be subject to the paymeint of such rental and dues and to such terms and conditions as are fixed by the regulations in force at the time renewal is made.

(*c.*) When, in the opinion of the Minister, any portion of a timber berth has not a sufficient quantity of the kind and dimensions of timber specified in the licence for such berth to make it profitable to remove the timber upon such portion of the berth, and when, in the opinion of the Minister, such portion of the berth is not necessary for the proper working of the remainder of the berth, the Minister may withdraw such portion from the berth:

Provided that no withdrawal shall be made unless the licensee or his legal representative has had sixty days' notice thereof, and that upon such withdrawal the ground-rent shall be reduced in proportion to the area withdrawn.

(*d.*) If the Minister of the Interior ascertains, after an inspection has been made, that any land within the berth hereby licensed is fit for settlement and is required for that purpose, he may require the licensee to carry on the cutting of timber provided for by clause 32 of the Timber Regulations on the said land, and, on the expiration of the time within which the timber which the licensee is entitled to cut should be removed therefrom, may withdraw such land from the berth and from the operation of the licence covering it, and upon such withdrawal the ground-rent shall be reduced in proportion to the area withdrawn.

(*e.*) That the licensee shall take from every tree he cuts down all the timber fit for use and manufacture the same into sawn lumber or some other saleable product, and shall dispose of the tops and branches and other debris of lumbering operations in such a way as to prevent as far as possible the danger of fire, in accordance with the directions of the proper officers of the Department of the Interior. Failure on the part of the licensee will subject him to the penalty of having his manufactured timber seized and his bush operations closed down.

(*f.*) That the licensee shall prevent all unnecessary destruction of growing timber on the part of his men and exercise strict and constant supervision to prevent the origin and spread of fire, and shall also comply, during the term of the licence and of any renewal thereof, with all regulations made in that respect by the Governor in Council, and with all laws and regulations in that respect in force in the Province or Territory in which the berth is situate.

(*g.*) That the licensee shall furnish to the Dominion Timber Agent having jurisdiction in the matter, at such periods as may be required by the Minister of the Interior or by regulations under the Dominion Lands Act, returns sworn to by him or his agent or employee cognizant of the facts, showing the quantities manufactured, sold, or disposed of, of all sawn lumber, timber, or any other product of timber from the berth in whatever form the same may be sold or otherwise disposed of by him during such period, and the price or value thereof.

(*h.*) That the licensee shall pay, in addition to the said ground-rent, dues in the manner prescribed in section 20 of the Timber Regulations, and also one-half of the cost incurred by the Crown in guarding the timber from fire, the Government paying the other half. A statement will be furnished the licensee showing his share of the cost incurred, and payment thereof shall be made to the Crown within thirty days thereafter.

(*i.*) That the licensee shall keep a "Lumber Sales Book" in which shall be entered all sales of the products of the berth, both cash and credit sales, also a book accounting for the number of feet of sawn lumber manufactured each day at the mill, with the day and date; all books and memoranda kept at the logging camps shall be carefully preserved, and these and other books kept by the licensee in connection with his lumbering business he shall submit for the inspection of the Dominion Timber Agent or other officer of the Crown whenever required for the purpose of verifying his returns aforesaid.

(*j.*) This licence shall be subject to the right of the Crown to deal, in accordance with the provisions of the said Act and the regulations made under it by the Governor in Council, with any and all stone, coal, or other minerals found within the limits of the berth licensed; and the Crown shall have the right, in dealing as above provided with any stone, coal, or other minerals in lands licensed as timber limits, to authorize the persons to whom such stone, coal, or other minerals are granted to take possession of and occupy such extent of the land so licensed as is necessary to work such stone, coal, or other minerals, and to open necessary roads through any such timber berth, paying the licensee of the berth the value of any and all timber of a diameter of ten inches at the stump and upwards necessarily cut in making such roads or in working the quarries or mines, such value, in case of dispute, to be fixed by the Minister of the Interior; and the provisions of this clause shall operate retrospectively; that is to say, they shall apply to all licences of timber berths heretofore granted under any Act respecting Dominion lands as if they had been contained in such Act when it was passed.

(*k.*) This licence shall also be subject to the right of the Crown to withdraw at any time from the said timber berth any portion or tract of the lands comprising it which is required for water-power purposes or is necessary in connection therewith by the lessee or lessees of the water-power, their executors, administrators, or assigns, and which the Minister of the Interior, as the representative of the Crown therein, shall decide to be necessary for such water-power purposes, and which for such purposes shall be so withdrawn from the said lands and from the operation of the said licence; upon the condition, however, that the lessee or lessees of the said water-power, his or their executors, administrators, or assigns, shall and will pay to the licensee of the berth, his executors, administrators, or assigns, the value of all timber of ten inches and over in diameter at the stump on the portion of the tract so withdrawn, the value of such timber, in case of dispute, to be fixed by the Minister of the Interior.

(*l.*) This licence shall be subject to forfeiture on the order of the Minister for violation of any of the conditions to which it is subject or for any fraudulent return:

Provided that, in case the Minister shall decide to exercise the power of forfeiture conferred by this section, the licensee shall have the right, within ninety days of formal notification to him in writing by the Minister of his intention to declare such forfeiture, and which notification shall be deemed to be sufficient if addressed to the place last known to the Minister as the address of the licensee, to appeal against such notification of forfeiture to the Judge of any competent Court of the district having jurisdiction in matters of contract. The licensee

shall, within ninety days of the notification to him by the Minister, notify the Minister in writing of appeal taken, and, pending the report within reasonable delay from the Judge on the question of appeal, no declaration of forfeiture shall be made by the Minister. The Judge to whom appeal is taken shall report to the Minister his finding in the case, and on receipt of such report the Minister may proceed under this section in accordance with his finding; and in case the finding be in favour of the Minister the Judge shall, when transmitting his report, issue a summons directed to the appellant calling upon him forthwith to vacate or abandon or to cease using the berth, and if, upon the return of the summons, it appears that he has not vacated or abandoned or ceased using the said berth, the Judge shall make an order or warrant for his summary removal from the berth, and the said order or warrant shall be executed by the sheriff, bailiff, constable, or other person to whom it is delivered:

Provided that such report by the Judge shall be appealable by either side in like manner as any other decision of the said Court:

And provided further that, if the violation of the regulations refers merely to payment of money due under the licence, the Minister may waive the power of forfeiture on payment of double the amount found by the Judge to be due and costs, and may enforce payment in the manner provided for by the Dominion Lands Act and the Timber Regulations, and take such action in regard to all other matters of forfeiture as may arise and be provided for by this section and the Dominion Lands Act.

(*m.*) (1.) If any railway company becomes entitled to a grant from His Majesty or his successors of any portion of the lands hereby demised for the road-bed of the company's railway or branches thereof, or for stations, station-grounds, workshops, dockyards, and water-frontages on navigable rivers, or building-yards or for other purposes required for the convenient, necessary, and effective construction and working of the company's railway or any of its branches, and if His Majesty or his successors grant the same to such railway company, the land so granted shall from and after the date of such grant cease to be under the operation of this licence and to be part of the lands hereby demised; but the licensee or his legal representatives shall be at liberty to remove all property belonging to him or them and all timber then cut thereon from the land so granted; and shall also be entitled to cut and remove from the said land so granted, as his or their own property, all trees then standing thereon or the timber obtained therefrom; provided that such property and cut timber, or property, cut timber, and standing trees or the timber obtained therefrom, are promptly removed from the said land upon receipt by the licensee or his legal representatives of notice from the railway company to remove such property and cut timber or to cut and remove such standing trees so as not to hinder or interfere with any work being done or about to be done by the railway company for the convenient, necessary, and effective construction and working of the company's railway or of any of its branches; provided also, however, that if the licensee or his legal representatives do not so remove such property or cut timber, or so cut and remove such standing trees or the timber obtained therefrom, the railway company may do so, and all cut timber and standing trees or timber obtained therefrom which have so to be removed or cut and removed by the railway company shall be the property of the Crown and be disposed of as the Governor in Council, upon the report of the Minister of the Interior, may decide to be fit and proper.

(2.) If any railway company becomes entitled to a grant from His Majesty or his successors of any portion of the lands hereby demised as part of its land subsidy as provided for by any Statute of Canada, and if His Majesty or his successors grant the same to such railway company, the land so granted shall from and after the date of such grant cease to be under the operation of this licence and to be part of the lands hereby demised, but the licensee or his legal representatives shall be at liberty to remove all property belonging to him or them and all timber then cut thereon from the land so granted.

(3.) From the date any parcel of land is granted to any railway company, and is so withdrawn from the operation of this licence, the ground-rent hereby provided to be paid shall be reduced in proportion to the area withdrawn.

(*n.*) (1.) In any case where waters flowing through, over, or along, or having their source in, any timber berth, empty into any stream, or are tributary to any stream from which a domestic or municipal water-supply is or may be obtained, or in any case where the pollution of any such waters may, in the opinion of the Minister, deleteriously affect any municipal or domestic water-supply, the licensee of such timber berth shall comply with the following regulations:—

(*a.*) Locate all camp buildings, outhouses, cesspools, and other structures at a sufficient distance from any stream, lake, or other source of water-supply to prevent the pollution of such municipal or domestic water-supply:

(*b.*) Immediately remove and bury or burn any camp refuse or debris of any description or any substance which would be likely to cause the pollution of any such waters, and otherwise keep the ground in the vicinity of all logging camps in a neat, orderly, and sanitary condition:

(*c.*) Prevent any depositing, leaving, or accumulating in any stream, lake, or other source of water-supply within the berth, or in an exposed or unsanitary condition on the berth, any debris of any description or any substance which would be likely to cause the pollution of such waters:

(*d.*) Prevent the depositing or leaving by any person employed or purporting to be employed about the berth, or the accumulation as a result of any operations carried on by reason of the licence in any stream, lake, or other source of such water-supply on any Dominion lands whatever, or in an exposed or unsanitary condition on any such lands, of any such debris or substance:

(*e.*) Observe all laws and regulations respecting sanitation and the protection of the purity of waters which are applicable to the premises, or any regulations which may be promulgated by the Governor in Council; and also comply with any requirements which may be made by the Minister for the purpose of carrying out the above provisions.

For each infraction of the provisions of clause (1) hereof the licensee shall, in addition to the other penalties provided in the said regulations, be liable, on summary conviction, to a penalty not exceeding one hundred dollars, and such sum shall be recoverable with costs at the suit of and in the name of the Crown.

(*o.*) This licence cannot be assigned or transferred without the consent of the Minister of the Interior.

(*p.*) The licensee shall have in operation within one year from a date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step necessary or expedient in the public interest, and keep in operation for at least six months of each year of his holding, a sawmill in connection with the berth herein described capable of cutting in one day a thousand feet board measure for every two and one-half square miles of the area licensed.

(*q.*) Any notice, demand, or other communication which His Majesty or the Minister of the Interior may require or desire to give or serve upon the licensee may be validly given and served by the Controller of the Timber and Grazing Lands Branch or by the Secretary or Assistant Secretary of the Department of the Interior.

RETURNS OF MANUFACTURE.

26. The licensee shall in each year furnish to the Dominion Timber Agent having jurisdiction in the matter, at such periods as may be required by the Minister of the Interior, returns sworn to by him or his agent or employee cognizant of the facts, showing the quantities manufactured, sold, or disposed of, of all sawn lumber, timber, or any other product of timber from the berth, in whatever form the same may be sold or otherwise disposed of by him during such period, and the price or value thereof.

27. Licensees are required to keep a bush count of all sawlogs and other timber cut upon a berth, as well as the number of pieces hauled therefrom, in the form of a book to be furnished for the purpose by the Crown Timber Agent. The books covering operations for twelve months ending the 30th April in each year are to be returned to the said agent duly completed by the foreman in charge of operations, who shall subscribe to the affidavit therein.

(*a.*) All sawlogs or other timber cut upon a licensed or permit berth, or upon unpatented homestead land disposed of in the Railway Belt in the Province of British Columbia on which the timber is reserved to the Crown, whether merchantable or cull, must be clearly marked with a distinguishing number on scaling end with crayon, chalk, or pencil at the time of scaling.

Numbering will be necessary even when the logs will be sawn immediately or before being placed

in the water. The scale of each log and length will be entered opposite its number in consecutive order in a scale-book, cull logs being identified by the addition of the letter "C."

Where operations are carried on to such an extent as to require the use of more than one scale-book, the books are to be numbered serially with letters of the alphabet in the order in which they are used. These books are to be carefully preserved by the licensee for inspection by the Crown Timber Agent or other officer of the Crown.

No person is authorized to scale timber cut upon Dominion lands other than those authorized in writing by the Minister or his appointed agent.

(*b.*) The requirements in the next preceding subclause will not apply to timber cut on Dominion lands within the Railway Belt lying south of a line drawn east and west from the town of Yale.

All timber cut within said tract which is subject to Crown dues shall be scaled by a Dominion Timber Scaler holding a scaler's licence from the British Columbia Government, and in accordance with the British Columbia log rule.

(*c.*) The following fees, to which shall be added reasonable expenses, shall be paid for the scaler's services by the licensee or permittee conducting operations:—

For scaling sawlogs and spars, 6 cents per thousand feet board measure; for measuring piles and poles, 6 cents for each 200 lineal feet; for measuring railway-ties, pulp-wood, shingle-bolts, or cord-wood, 6 cents for each cord of 128 cubic feet.

When the fees and reasonable expenses are not paid promptly on completion of the work, the amount due shall be made a lien upon the timber with respect to which the work was done, or upon the berth from which the timber was taken.

In the event of a licensee or permittee disputing the Inspector's scale, on application to the Crown Timber Agent for the district, a rescale of the timber will be made by another Dominion scaler, and in such case the person requiring his services must pay such additional expense or cost as may be occasioned thereby:

Provided that if the original scale made be proved inaccurate to an extent of five per cent. on the total scale or grade, a second charge for the work shall not be made.

(*d.*) The scaling officer shall deliver a copy of any scale made by him to the owner of the timber scaled, upon demand and upon payment of his fees and expenses.

(*e.*) The Crown Timber Agent or other duly authorized officer of the Department shall act as arbiter in any dispute that may arise between a licensee or permittee and the official scaler as to the measurements of any timber, and his award shall be binding upon all parties without appeal.

(*f.*) All diameters of logs shall be measured inside of the bark at the top end of the log.

(*g.*) No timber or sawlogs shall be manufactured or sawn until the same have been scaled in accordance with the requirements of these regulations, and any person violating this provision shall be liable to have such timber or product of manufacture therefrom seized and forfeited, wholly or in part, to the Crown, or pay dues thereon at the rate of five dollars per thousand feet board measure, according as the Minister may direct.

28. It is required that all licensees, through themselves, their scalers and foremen, shall furnish proof on oath on the first day of May of each year, or at such other time as the Minister of the Interior may direct, as to the exact locality, by a ground sketch, where all timber cut by themselves and others, to their knowledge, upon the timber berth held or occupied by him or them, respectively, has been cut.

29. All timber before being put into any stream or lake to be floated to the mill must be marked with a stamp furnished by the licensee and approved by the Dominion Timber Agent; a copy of said stamp to be placed on record in the Dominion Timber Office.

Timber not so marked in a conspicuous place may be seized by the Crown and confiscated, or penalty dues charged thereon, as the Minister may decide.

30. On the arrival of any raft or parcel of timber or sawlogs, cut or taken from Dominion lands, at the place where the same is to be manufactured or sold, and before the same becomes mixed with other timber or sawlogs, the owners or persons in charge thereof shall report the same to the Dominion Timber Agent having jurisdiction in the matter, making, if required, declaration upon oath as to where the said timber was cut, the number of pieces and the description of each kind of wood contained in such raft or parcel of timber and contents thereof in board measure, and should the Dominion Timber Agent not be satisfied with the correctness of such report he shall cause a strict count and scale to be made of the timber in such raft; and on being satisfied of the correctness of such report or count, the Dominion Timber Agent may grant a clearance in due form for such raft, when the same may be at the disposal of the owner or person in charge of the same. Should the number of pieces given in the report of the owner or person in charge be found by the specification of measurement to contain a greater number of pieces or contain a greater number of feet board measure than is given by the owner's or agent's report, the surplus number of pieces or overplus, if not satisfactorily explained, shall be held as having been cut on Dominion lands without authority and subject to payment of dues accordingly. This clause only to have force in case of a licensee making payment of dues on the quantity of lumber contained in the timber or sawlogs by log scale.

MANUFACTURE.

31. All timber taken from berths acquired under the provisions of these regulations shall be manufactured within the Dominion of Canada, and all timber taken from a berth in Manitoba, Saskatchewan, or Alberta must be manufactured at the sawmill of the licensee to be operated in connection with the berth as prescribed by section 32 of these regulations, unless permission otherwise is given by the Minister of the Interior as provided by the said section.

32. The licensee shall have in operation within one year from the date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step as necessary or expedient in the public interest, and keep in operation for at least six months of each year of his holding, a sawmill in connection with his berth, capable of cutting in one day one thousand feet board measure for every two and a half square miles of the area licensed, or shall establish such other manufactory of wood goods as the Minister of the Interior accepts as equivalent thereto:

Provided, however, that, notwithstanding anything in these regulations, a licensee may in lieu of erecting a mill be permitted to have the timber cut from the berth or berths held by him manufactured at a mill which is not his own property, provided that he cuts from the said berth or berths at the rate of one hundred thousand feet annually for each square mile held by him under licence.

CUTTING TIMBER WITHOUT AUTHORITY.

33. If any person without authority or in contravention of the Timber Regulations cuts or employs or induces any other person to cut or assist in cutting any timber of any kind on Dominion lands, or removes or carries away or employs or induces or assists any person to remove or carry away any timber of any kind so cut, he shall not acquire any right to such timber, or any claim for remuneration for cutting the same, preparing the same for market, or conveying the same towards market; and when the timber has been removed out of the reach of the timber officers, or it is otherwise found impossible to seize it, he shall incur a penalty not exceeding three dollars for each tree which, or any part of which, he is proved to have cut or carried away or assisted to cut or carry away; and such sum shall be recoverable with costs, at the suit and in the name of the Crown, at any Court having jurisdiction in civil matters to the amount of the penalty; and in all cases the burden of proof of authority to cut and take the timber shall lie on the person charged, and the averment of the person seizing or prosecut-

ing that he is duly employed under the authority of the Dominion Lands Act shall be sufficient proof thereof, unless the defendant proves the contrary.

34. When ever any timber agent or officer receives satisfactory information, supported by an affidavit or solemn declaration made before a Justice of the Peace or before any other competent officer or person, that any timber has been cut on Dominion lands without authority or in contravention of the Timber Regulations, or if any timber officer or agent, from other sources of information or his own knowledge, is aware that any timber has been cut without authority on any such lands, he may seize or cause to be seized the timber so reported or known to be cut wherever it is found, and place the same under proper custody until the matter is decided by competent authority.

35. If the timber reported or known to have been cut without authority or in contravention of the Timber Regulations has been made up with other timber into a crib, dam, or raft, or in any other manner has, at any mill or elsewhere, been so mixed up with other timber as to render it impossible or very difficult to distinguish the timber so cut without authority from the other timber, the whole shall be held to have been cut without authority, and shall be liable to seizure and forfeiture accordingly, unless the holder separates to the satisfaction of the timber agent the timber cut without authority from the other.

36. Whenever any timber agent or other officer or agent is in doubt as to whether any timber has or has not been cut without authority or in contravention of the Timber Regulations, or is or is not liable to dues on the whole or any part thereof, he may inquire of the person or persons in possession or in charge of such timber as to when and where the same was cut; and if no satisfactory explanation, on oath or otherwise as he requires, is given to him, he may seize and detain such timber until proof is made to the satisfaction of the Minister of the Interior, or of such timber agent or officer, that such timber was not cut without authority, and is not liable, either in whole or in part, to dues of any kind; and if such proof is not made within thirty days after such seizure, such timber may be dealt with as timber cut without authority, or on which the dues have not been paid, according to the circumstances of the case; and the dues thereon may be recovered as hereinbefore provided.

37. If any timber or any product thereof is seized under the provisions of the Dominion Lands Act by any timber agent or officer, he may allow such timber or product thereof to be removed and disposed of on receiving sufficient security, by bond or otherwise to his satisfaction, for the full value thereof, or, in his discretion, for payment of treble the rate charged as permit dues on the timber or product thereof so seized.

38. (1.) All timber seized under the Dominion Lands Act shall be deemed to be forfeited, unless the owner thereof or the person from whom it was seized, within one month from the day of the seizure, gives notice to the seizing officer or to the timber agent or officer under whose authority the seizure was made that he intends to contest the seizure; and if, within fifteen days thereafter, the claimant has not instituted proceedings before a Court of competent jurisdiction to contest the seizure, or if the decision of the Court is against him, or if the claimant fails duly to prosecute such proceedings in the opinion of the Judge before whom such case is tried, who may for that cause dismiss the suit on the expiration of three months from the date on which it was instituted, the timber may be confiscated and may, after thirty days' notice posted up at the place where the same is confiscated, be sold at public auction by order of the Minister of the Interior.

(2.) The Minister of the Interior may, if he sees cause for so doing, instead of confiscating timber cut on Dominion lands without authority or in contravention of the Timber Regulations, impose a penalty of triple the rate charged as dues on timber cut under permit conditions, which, in addition to all costs incurred, shall be levied on such timber; and in default of payment of the whole on demand, he may, after a notice of fifteen days, sell such timber by public auction at an upset price of not less than seizure dues and expenses, and may, in his discretion, retain the whole proceeds of such sale or the amount of the penalty and costs only.

(3.) In the event of there being no bid equal to the amount due the Crown for timber put up at public auction under this section, the Minister may dispose of the same by private sale.

39. Whenever any timber is seized for non-payment of dues, or for any cause of forfeiture, or any prosecution is instituted for any penalty of forfeiture under the Dominion Lands Act, and any question arises as to whether the said timber was cut on other than Dominion lands, the burden of proving payment, or of proving on what land the said timber was cut, shall lie on the owner or claimant of such timber.

40. Any officer or person seizing timber in the discharge of his duty under the Dominion Lands Act may, in the name of the Crown, call in any assistance necessary for securing and protecting the timber so seized.

TIMBER PERMITS AND DUES.

41. In the Provinces of Manitoba, Saskatchewan, and Alberta, and in the Peace River tract in the Province of British Columbia controlled by the Dominion Government, the Minister of the Interior may grant:—

(1.) Permits to owners of sawmills to cut lumber, shingles, lath, and other manufactured products over a definitely described tract of contiguous lands not exceeding one square mile in extent, on payment of Crown dues at the rates fixed by section 42 of these regulations, subject also to the payment of rental of twenty-five dollars per annum for each quarter-section or fraction thereof. Permits for this class of berth shall expire on the thirtieth day of April after date of issue, but will be subject to renewal from year to year for a period not exceeding four years thereafter; provided all the conditions of the regulations applicable thereto have been met by the permittee; also that such renewal shall be subject to the payment of such rental and dues and to such terms and conditions as are fixed by the regulations in force at the time the renewal is made.

Each application shall be accompanied by the sum of ten dollars, which shall be applied as royalty if the application is granted, but refunded if refused. The deposit shall be forfeited to the Crown in the event of the applicant failing to avail himself of the offer of a permit within thirty days from date of notice.

Before a permit is granted the applicant shall be required to make a cash deposit of twenty-five dollars for each quarter-section or fraction thereof contained in the berth, which deposit will be held until the berth is cancelled as a guarantee that the permittee will pay all rental and royalty charges, will remove all merchantable timber authorized to be cut under his permit, and dispose of the brush and other debris as required by the regulations to the satisfaction of the Crown Timber Agent for the district, failing in any one of which the deposit shall be forfeited to the Crown and the berth rendered subject to cancellation.

Before a person becomes eligible to apply for a portable sawmill berth he shall be the owner of a sawmill, which mill he will require to have in actual operation in connection therewith within three months from the date of the issue of the permit therefor, or the same shall be subject to cancellation. In the event of the permittee not operating to a reasonable extent upon the lands covered by the permit during the continuance thereof, of which the Minister of the Interior shall be the sole and final judge, the permit shall become null and void and the berth cancelled.

An application for a portable sawmill berth shall only be granted on receipt of a report from the local Timber Inspector, approved by the Crown Timber Agent, to the effect that the granting of the berth is a necessity in order to provide lumber and other building material for residents in the surrounding district.

(*a.*) Holders of portable sawmill berths may sell the products of their manufacture in the open market, excepting to dealers for reselling same. Any

infringement of this regulation will subject the timber illegally sold to seizure and the imposition of seizure dues or confiscation.

(*b.*) Holders of portable sawmill berths situated in districts where there is a market for cordwood will be required to cut the tops of trees felled in logging operations into cordwood or some other saleable product, on which dues will be chargeable at the rates set forth in section 42 of these regulations. All timber waste left on the ground following cutting operations must be disposed of in such a manner as to prevent the spread of fire, and to the satisfaction of the Crown Timber Agent or officer of the Department appointed to examine into the matter. Failure on the part of the permittee will subject him to the penalty of having his manufactured timber seized and his bush operations closed down.

(*c.*) The berth-holder shall be required to pay at date of issue of permit not less than twenty per cent. in advance of the dues on the timber covered by the permit, which shall be the estimated quantity to be cut thereunder during the continuance thereof, which quantity shall not be exceeded unless covered by an additional permit.

(*d.*) If the land upon which a permit is applied for is surveyed, the boundaries must conform to survey-lines. In the case of unsurveyed land, the berth shall be laid off in a rectangular block based on a due east and west magnetic line. The length of a berth shall not exceed twice its width, and the berth shall be blazed throughout to the satisfaction of the Crown Timber Agent or officer deputed by him to make the inspection.

(*e.*) A person who is the owner, in whole or in part, of a berth held under licence, or the holder of a portable sawmill permit, is not eligible to obtain a portable sawmill berth, and the applicant must submit an affidavit to the Crown Timber Agent for the district according to the following form:—

Affidavit.

I, of , the applicant for a portable sawmill permit covering , Section , Township , Range West, make oath and say:—

1st. That I am the owner of a sawmill having a daily capacity of feet B.M. lumber.

2nd. That the timber that may be cut under authority of the permit applied for will all be manufactured into lumber, shingles, lath, or other manufactured product.

3rd. That I will render to the Crown Timber Agent having jurisdiction in the matter sworn returns made quarterly, accounting for the number of pieces of round timber cut upon the berth and the number manufactured and the product thereof, the quantity sold and that on hand, and will pay dues on the amount of the products manufactured as sold.

4th. That my cutting will be made clean and out of face as it progresses, and all timber, including poplar, suitable for manufacture will be taken down to seven inches at the stump and cut not higher than eighteen inches from the ground.

5th. That I am not materially interested in a licensed or other portable sawmill berth.

Permit Berths.

(2.) Permit berths may be granted on a section of surveyed land or a fraction thereof, whereon the timber suitable for lumber purposes does not exceed fifteen thousand feet B.M. on any quarter-section, for the purpose of cutting cordwood, pulpwood, fence-posts, telegraph-poles, or any other product of manufacture, on payment in advance of rental of twenty-five dollars for each quarter-section or fraction thereof per annum.

Each application shall be accompanied by the sum of ten dollars, which shall be applied as royalty if the application is granted, but refunded if refused. The deposit shall be forfeited to the Crown in the event of the applicant failing to avail himself of the offer of a permit within thirty days from date of notice.

Not more than one permit berth can be held by an individual or firm at the same time.

The permit shall be subject to the conditions and requirements laid upon the holder of a portable sawmill berth as set forth in preceding clauses in regard to tenure of holding, the cutting of timber, making returns and payment of rental and royalty dues, except that the royalty dues are payable on the product as manufactured.

The holder of a permit berth may sell the products of his manufacture in the open market.

(3.) The holder of a portable sawmill berth or permit berth shall furnish to the Dominion Timber Agent having jurisdiction in the matter a sworn return quarterly, or at such other period as the Minister of the Interior may direct, accounting for all timber cut on the berth, sold, and on hand; and in the event of it being found necessary, after the permittee has been requested by letter three times to forward any overdue return or returns, to send a Timber Inspector or other officer to secure the same, the Minister of the Interior may charge and collect from the permittee the expenses incurred thereby or cancel the berth.

The above classes of berths are not transferable.

Interest at the rate of seven per cent. per annum will be added to all royalty dues and rental charges thirty days overdue.

An office fee of one dollar shall be charged for each permit.

42. Permits to cut timber on avaliable Dominion lands, subject to the payment of the dues hereinafter specified, may be granted without competition to actual settlers for their own use on their farm lands, except that on dead timber the rate shall be one-half ordinary permit dues, exclusive of cordwood, which shall be twenty-five cents per cord; to settlers and persons living in cities, towns, and villages, to cut up to one hundred cords of cordwood and lath-bolts for sale in each permit year, subject to dues of one dollar per cord on lath-bolts and the regular rate of dues on the cordwood; also for the construction of public works and for the erection of agricultural society buildings and rural community halls:—

43. An office fee of one dollar shall be charged for each permit, and all timber cut on Dominion lands under permit shall be manufactured within the Dominion of Canada.

44. Issuers of permits will be instructed by the Minister of the Interior as to the quantity of timber that will be granted and also what proportion of dues shall be deposited on the issue of permit as a guarantee on the part of those obtaining the same.

45. Besides the dues above specified, grantees of permits may be called upon to pay such additional sum as the Minister may judge necessary to meet their proportion of any expenses incurred or that may be incurred by the Department in making a survey or other demarcation on the ground of the boundaries within which such permits are to be operative.

46. Permits shall set forth that those obtaining them must conform to the conditions, terms, and requirements specified in the same, and carefully restrict their cutting to the lands described therein, and any breach thereof will subject the offender to all the pains and penalties in that behalf prescribed by the Dominion Lands Act and these regulations.

47. Permittees shall cut up the whole of the trees felled in such a way that there shall be no waste, and to prevent the spread of prairie or bush fires the refuse (i.e., the tops and branches unfit either for rails or firewood) shall either be lopped off so that they will lie flat on the ground, or shall be piled together in a heap and burnt, and not left scattered through the bush. Failure to comply with this requirement will subject the permittee to the penalty of having his timber seized and held, and finally confiscated, providing the requirement is not fulfilled within sixty days of date of seizure notice served on him, and the privilege of obtaining any further permits by him shall be withdrawn.

Permits issued to holders of berths shall contain a clause to the effect that one-half the cost of fire-guarding the timber shall be defrayed by the holders thereof, the Crown defraying the other half.

Owners of steamboats plying on waters within the boundaries of Manitoba, Saskatchewan, Alberta, the Railway Belt in the Province of British Columbia, and the tract of three and a half million acres controlled by the Government of the Dominion in the Peace River District in the Province of British Columbia may be granted permits to cut wood for consumption on their boats, on payment of dues at the rates set out in section 42 of these regulations.

Permits may be granted without competition in the Railway Belt in the Province of British Columbia to settlers and others to cut up to one hundred cords of shingle-bolts for sale, upon payment in advance of dues at the rate of one dollar and fifty cents per cord.

Permits may be granted at public auction by posting notices in conspicuous places in the vicinity of the berth affected for a minimum period of ten days to the person offering the highest cash bonus, which shall not be less than ten dollars per quarter-section or fraction thereof, to cut timber on tracts of land not exceeding nine square miles in area which have been run over by fire, and where not less than fifty per cent. of the timber has been fire-killed or will die as a direct result of the fire, subject to dues at one-half the regular permit rates, except cordwood, on which twenty-five cents per cord shall be charged. The purchaser shall be required to make a cash deposit of not less than fifty dollars per square mile or fraction thereof, which deposit shall be held until the berth is cancelled as a guarantee that the purchaser will pay all royalty charges, will remove all merchantable timber from the berth, and will dispose of the brush and other debris as required by the regulations to the satisfaction of the Crown Timber Agent for the district, failing in any one of which the deposit shall be forfeited to the Crown. If operations are conducted satisfactorily during the first year, a renewal permit may be granted for a second year, but the permittee shall not have any claim to a further renewal.

Any holder of an entry for a homestead, a purchased homestead, or a pre-emption, who, previous to the issue of letters patent, sells any of the timber on his homestead, purchased homestead, or pre-emption to owners of sawmills or to any others, without having previously obtained permission to do so from the Minister, is guilty of a trespass and may be prosecuted therefor before a Justice of the Peace, and, upon summary conviction, shall be liable to a penalty not exceeding one hundred dollars, and the timber so sold shall be subject to seizure and confiscation in the manner provided in the Dominion Lands Act.

If the holder of an entry as above described desires to cut timber on the land held by him for sale to either actual settlers for their own use or to other than actual settlers, he shall be required to secure a permit from the Crown Timber Agent in whose district the land is situated, and shall pay dues on the timber sold to other than actual settlers at the rate set out in section 42 of these regulations, but the amount so paid shall be refunded when he secures his patent.

Permits may be granted without competition on available Dominion lands to licensees of timber berths being operated to cut isolated fringes of timber lying immediately outside of same and next to their cuttings when the quantity does not exceed five hundred thousand feet B.M. No permit of this class, however, shall be granted before an inspection has been made by the Timber Inspector for the district, and a report received from the Crown Timber Agent to the effect that the granting of the permit would be in the public interest. Timber cut under such permits shall be subject to dues at fifteen per cent. in advance of those set out in section 42 of these regulations.

PERSONS EXEMPTED FROM DUES.

48. No dues are to be exacted from the following classes of persons for timber cut upon undisposed-of Dominion lands, that is to say:—

(*a.*) Miners engaged in prospecting:

(*b.*) Travellers:

(*c.*) Persons engaged in merely scientific pursuits or exploring:

(*d.*) Persons cutting timber for the construction of educational, religious, and charitable institutions.

49. That before a free permit is issued the agent for the district shall require the prospective permittee to furnish satisfactory evidence of the use to which the timber applied for is to be put.

TIMBER FOR HOMESTEADS.

50. Any homestead settler having no timber on his homestead or lands owned by him that could be used to meet his requirements, and who has not obtained a free allowance of timber from Dominion lands, may, providing application is made within five years of date of his homestead entry, obtain a permit to cut such quantity of building and fencing timber and dry fuel as he may require for use on his homestead, not exceeding the following:—

(*a.*) Three thousand lineal feet of building-timber, no log to be over 12 inches at the butt end unless the timber is cut from dry trees, in which case timber of any diameter may be taken.

Should the building-timber be sawn at a mill, the permittee will be entitled to receive free of dues, 9,250 feet board measure of lumber therefrom, and no more.

(*b.*) Four hundred roof-poles to be used for such purpose.

(*c.*) Five hundred fence-posts, 7 feet long, and not to exceed 5 inches at the small end.

(*d.*) Two thousand fence-rails.

(*e.*) Thirty cords dry wood.

51. Should the house timber be sawn at a mill, payment for sawing must not be made by way of toll, as the full quantity of lumber cut from the logs must be used on the permit-holder's homestead.

52. Any settler in Manitoba, Saskatchewan, or Alberta who has lost his dwelling or other building by accidental fire, whether caused by prairie or bush fires or in any other way not due to his own carelessness, may obtain a free permit to cut for the replacing of such building the quantity of timber to which a homesteader is entitled free of dues under the provisions of section 50 of these regulations.

53. In order that mill-owners may be able to give satisfactory evidence that sawlogs or lumber found in their possession have been lawfully cut, they shall require from settlers bringing timber to be sawn proof that the same has not been cut on Dominion lands or that it has been cut under a permit, which the settler should produce in order that its number, its date, and the name of the permittee may be noted by the mill-owner. The latter should also record the quantity of such timber sawn by him, so that he may be in a position to duly protect himself should an account or return thereof be demanded by agents of the Department.

Mill-owners doing custom sawing for settlers shall notify the Crown Timber Agent for the district of the location of their mills before commencing to manufacture each season, and shall also notify him of each setting to which they move during their season's operations. They shall keep records of all sawing in the books provided for the purpose. Failure to carry out these requirements will subject them to having the manufactured timber in their mill yards placed under seizure and their operations closed down.

54. The applicant will be required to pay an office fee of one dollar before he can obtain a free permit, but no dues will be charged for the timber or wood cut under and in accordance therewith.

55. All licences, permits, notices, and other documents not otherwise provided for issued under these regulations shall be signed by the Minister or by any officer of the Department specially authorized thereto in writing by the Minister.

56. In the event of a licensee or permittee of a timber berth covering Dominion lands, school lands, or lands within a forest reserve considering it necessary for the conveyance of his timber to his mill, or to market, to construct a road across a berth held by another under licence or permit covering Dominion or school lands, or to use a road already constructed, and he is unable to make an amicable agreement for so doing with the holder of the berth to be crossed, he may apply to the Minister for permission to submit the matter to arbitration. Upon receiving such permission in writing it shall be lawful for him to give notice in writing to the party interested, or his agent, to appoint an arbitrator within a period of ten days from the date of such notice to act with another arbitrator named by himself, in order to determine the necessity of constructing such a road, or of using a road already constructed, and the value of the damage done to the berth by the construction of such road or the amount which should be paid for the use of the road already constructed.

The said notice shall be served by sending it by registered mail to the last-known address of the licensee or permittee of the berth to be crossed, or by personal service where practicable, ten days before the expiration of the time limited in such notice.

If the licensee or permittee of the berth to be crossed, or his agent, refuses or declines to appoint an arbitrator, or when for any reason no arbitrator is appointed in the time limited by the notice, the Crown Timber Agent for the district in which the berth to be crossed is situated shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of the licensee or permittee of the berth to be crossed, or his agent, appoint an arbitrator on his behalf.

In case the two arbitrators cannot agree upon the award to be made, they may within ten days of the appointment of the second arbitrator select a third arbitrator, and when such two arbitrators cannot agree upon a third arbitrator, the Dominion Timber Agent for the district in which the berth to be crossed is situated shall forthwith appoint such third arbitrator.

All the arbitrators appointed under the authority of these regulations shall be sworn before a Justice of the Peace to the impartial discharge of the duties assigned to them, and shall fix the amount of compensation to which the licensee or permittee of the berth to be crossed shall be entitled.

All timber cut in the construction of any road shall remain the property of the licensee or permittee of the berth upon which it is cut.

The award of any two such arbitrators made in writing shall be final and shall be filed with the Dominion Timber Agent for the district in which the berth to be crossed is situated within ten days from the appointment of the last arbitrator. Upon the order of the Minister the award of the arbitrators shall immediately be carried into effect. Refusal by the licensee or permittee of the berth to be crossed to accept such award renders his berth subject to cancellation.

The arbitrators shall be entitled to be paid a per diem allowance of five dollars, together with their necessary travelling and living expenses while engaged in the arbitration, and the costs of such arbitration shall be borne by the licensee or permittee initiating the arbitration. 7519-ap17
